Singer/Songwriters Chyla May and John Madeiro have joined forces to “Rock” the Country world with their new band “**Dangerously Beautiful**”. Taking elements from the country and classic rock genre’s **Dangerously Beautiful** has fused together the “Rock-Country” music sound. Chyla’s strong vocals and songwriting combined with John’s melodic chord progressions drives the band in their songwriting ability.

Chyla May (27), John Madeiro (38), Craig Lightfoot (34) and Adam Orta (31) are the four diverse musicians from varying backgrounds that comprise the band. With influences ranging from Terri Clarke, Journey, Alan Parsons, Kiss and many others **Dangerously Beautiful** puts it all together in the “Rock/Country” world.

Their track “Girls Night Out” shows how the band can change gears and have fun while telling the story of 4 friends out for a night of good times. Adam’s driving bass line sets the tone for the song while Chyla’s vocals tell the story of how much fun and trouble the friends can get into. Craig’s lead work continues the fun with guitar licks that will bring out the best air guitarist in the room. Be sure and listen closely as you might miss something hilarious but true.

“Give Your Love” takes it up another notch and puts the ladies in charge. Tired of waiting for the guys to ask, the women take the initiative and make the first move. With a chorus line stating “You’ve never met a woman like me!” Chyla sets the record straight that today’s woman knows what she wants and is not afraid to go after it. Strong vocals, hot guitars and a driving bass line again the trademark of **Dangerously Beautiful** lead the way.

A television performance on the Houston Fox station KRIV-26 morning show and a live performance greeted the band for the release of their first CD. With initial interest coming from Nashville and LA, **Dangerously Beautiful** is ready for what the future brings. More songs are being written on a daily basis and the band grows stronger with every new challenge. **Dangerously Beautiful**, the next step in “Country/Rock” music.

### GIVE YOUR LOVE

Come on baby tell me what's on your mind  
I know you've been watchin' me all night  
Tell me what's your story  
Yea why are you here  
Do you mind if I buy you another beer

I bet you've never met a woman like me  
I'm a little bit crazy when i wanna be  
My kiss will bring you  
To your knees  
I'll have you beggin'  
Pretty please  
Come on give your love to me

I know a cozy little spot down by the lake  
We can dance all night while the radio plays  
I know what you want and got what you need  
Yea so come on give your love to me

I bet you've never met a woman like me  
I'm a little bit crazy when i wanna be  
My kiss will bring you  
To your knees  
I'll have you beggin'  
Pretty please  
Come on give your love to me

Our friends will think that we're insane  
When we tell them we got ingaged  
True love is sometimes hard to find  
And lifes to short to be wasting time

No you ain't never met a woman like me  
I'm a little bit crazy when i wanna be  
My kiss will bring you  
To your knees  
I'll have you beggin'  
Pretty please  
Come on give your love to me

### GIRLS NIGHT OUT

Got a call last night  
From a couple good friends of mine  
They said they need to cut loose  
Get wild and have a hell of a time

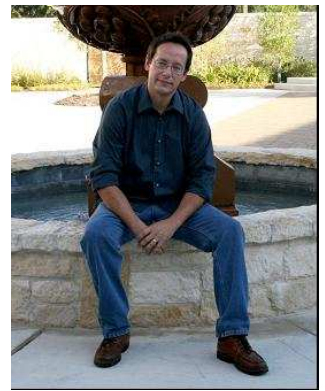

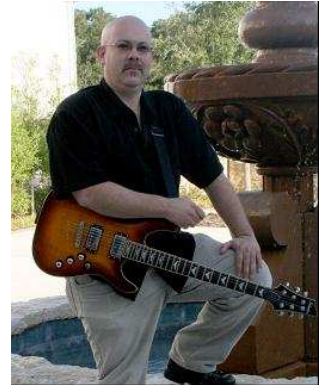

Jenny told me don't be late  
The party starts at nine  
And when i walk into the bar  
Aint no tellin' what i'll find  
I probably should have learned my lesson  
When i bailed them out last time  
But i'd do anything  
For those girls of mine  
Boy's you better heed my warning  
And just step aside  
Cause we're gonna need some room  
To get wild tonight  
Lord have mercy when we  
All get together no doubt  
On a girls night out

Nancy's on the bar  
Tryin' to do her best  
Yea she want's to be the winner  
Of that wet t-shirt contest

Mary's passed out in her chair  
I think she's had enough  
It's pretty safe to say  
Tomorrow morning will be rough  
Julie's ridin' on a bull  
To win a bucket of beer  
And michele's bra  
Is hanging from a chandelier  
Boys i tried to warn you  
To just step aside  
Cause there won't be any room  
Once the girl's arrive  
Lord have mercy when we all get together no doubt  
On a girl's night out

Oh my god it's 2:00  
And it's time to go  
But cory's standing on the table  
Yelling just one more  
I have a funny feelin' we'll get  
Thrown in jail  
And i'll have to call my mama  
To come pay my bail  
But then friday rolls around  
And we're at it again  
And on sunday morning  
I'll be praying for my sins  
Lord have mercy when we all get together no doubt  
On a girls night out
